**A NEW INITIATIVE FROM OXCLEAN**, supported by the Oxford Civic Society, Oxford Preservation Trust, Oxford High Street Association and ROX - backing Oxford business.

## **SPOTLESS OXFORD WOULD LIKE TO INVITE YOU TO JOIN IN...**

**THE IDEA IS THAT WE ALL** take ownership for the cleanliness of the space outside our premises, whether private, commercial or educational, for litter free pavements and gutters. This will contribute to Oxford becoming a litter free city, and provide support for City Council cleaning.

Already signed up for **SPOTLESS** are the Ashmolean Museum; the Bodleian Library; University College; Blackwell's Bookshops; the Old Bank Hotel; Quod; the Old Parsonage; Gees; three Costa coffee outlets in Oxford, Cowley and Summertown; Marks & Spencer, city centre and Summertown; and Cherwell School (a particular challenge as the school straddles the Marston Ferry Road).
